Class Name: Powis

Term : Spring 2 2025

Topic: Once Upon a Time

What we have been learning:

This term has been a productive one in Powis class.

In English we have been acting out and enjoying the sensory story of The Gingerbread Man. We have also begun to practice writing our initials, everyone has made great progress!

In Maths we have been counting out gingerbread men and matching shapes in the gingerbread man story.

We have started Hydrotherapy sessions this term which pupils have really enjoyed.

In PE we have continued to practice minigames of balance, throwing and other co-ordination activities.

In Cooking we have been making and decorating gingerbread men and in food play everyone has engaged in exploring ginger.

Out in the community we have been shopping for our ingredients at Tesco, some very helpful finding and putting in the basket happened there!

We also had a big trip to Winchester Science Centre which went amazingly well. Everyone did brilliantly and explored the centre with such curiosity. We were all so proud.

In Communication sessions we have been using switches to repeat the lines from the gingerbread man story and to ask for different games in adventure time.

Thank you for a wonderful term,
Tim – Powis class teacher
