

# Classroom News

Class Name: Windsor

Term: Summer term 1 2022

Topic: festivals

## What we have been learning this term:

We put the finishing touches to our Agricultural Challenge work at the start of term. In English lessons, we wrote about what we did as well as writing recipes. We practiced our measuring and cooking skills by making our scones and soup. All our hard work paid off as we won first prize overall! We also won first prize for our herb planters, and our scones and soup that were made with our home grown coriander. We were so proud of everyone for communicating really well with the judges. The judges loved looking at all of our photos and commented on how well the whole team worked together. We enjoyed seeing people from other schools in Berkshire (and the buffet lunch!) We were able to show our work to the rest of Key Stage 4, and to Jon and Kate. We won £200 and a day trip on a barge. We now have lots of exciting trips planned, which we are paying for with our winnings! Please look at the dates and points to remember on this letter. There will be no charge for the trips, but we are hoping you can help us by sending packed lunches, and picking your child up on the dates shown.

We were lucky enough to have a workshop at Pizza express where we learned about healthy food and were able to make and eat our own pizzas. They were very tasty!

In maths, we have continued to learn about positional language and have been giving each other instructions to make our beebots move. We have also put on our beebot masks and have been giving each other instructions! We have also been learning to measure and compare height

In maths. The students found it funny that some of us are taller than the staff!

In PSHE, we been learning about the importance of exercise and eating well to keep us healthy.

We hope you all have a lovely half term.

## Some photos of us!
