Class Name: Pendennis Term : Summer 1 2022 Theme: Volcanoes and Earthquakes

What we have been learning:

Hello Everyone,

This half term we used volcanoes as our inspiration for creating short narratives in English. We then moved on and created narratives about everyday events. We have all enjoyed this and have improved our group story telling skills using call and response.

We practise our phonics, reading and fine motor skills in morning work when we first arrive. In maths we have been working on our time telling skills whilst still running our tuck shop at snack time to embed those money skills from last term.

We have been thinking about healthy eating in cooking and PSHE and have made fruit salads and fruit smoothies. This has given us a great opportunity to practice our cutting skills using sharp knives.

In music we have enjoyed weekly visits from Charles, especially when he brings the glockenspiels and in art, creating repeating patterns.

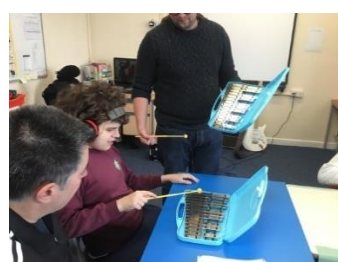

What has been particularly exciting this term is all our trips out. We continued with going to the shop to buy items for our tuck shop and then transferred those skills to visiting a real café. Here we selected what we wanted, ordered and paid, just as we have been practicing with our tuck shop. We then sat in the café to eat and drink what we had bought.

We have had two adventure days out at Youlbury so far and enjoyed being out with other pupils from school. We enjoyed a visit to Donnington Castle and have a few more planned.

Have a lovely half term break,

The Pendennis Team.

Some photos of our learning

Dates to remember

Last day of term is Friday 27th May 2022

School starts back on Monday 6th June 2022
