

Classroom News

Class Name: Oxford

Term: Summer 1

Topic: Festivals

What we have been learning this term:

English

This term our English work has been based around the book "Pride" which follows the story of Harvey Milk and his activism for LGBTQ+ Rights. We have created leaflets and created miniature biographies.

Maths

Our focus for this term is fractions. We have practised understanding how fractions can be represented and worked on unit and non-unit fractions.

Computing

In Computing we have used laptops to re-create famous works of art. We practised using the computer programme paint to explore different techniques and colours.

Life Lessons

In Life Lessons we have been learning about the British Values. For example Laws, Liberty and Democracy.

History

In History we have explore different activists around the world. For example Martin Luther King Jr and Malala Yousafzai.

Art

We have been working with Renee to create artwork of the Queen for the upcoming jubilee celebrations.

World of Work

We have worked with Louisa to explore appropriate behaviour at work and different skills that employers are looking for.

Topic: Festivals

We have been working in groups to plan a music festival. We have been working together to budget money and plan a programme for a weekend event.

Some photos of us!

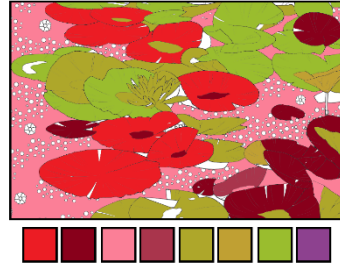

Practising home skills in the kitchen.

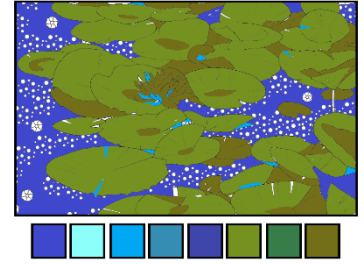

Visit from Agricultural Society.

Warm Colours

Cool Colours

Using warm and cool tones to recreate famous works of art in Computing
