

Classroom News

Class Name: Dunnottar

Term : Summer 1 2022

What we have been doing

We had a Post-16 baby shower to wish Hannah well on her maternity leave. We are all very much looking forward to hearing her baby news and if she has a boy or a girl! We then welcomed Emily to our class.

We have all been working hard in our Functional Skills lessons. Over our different Maths groups we have been recapping 3D and 2D shapes, learning about data handling, solving worded problems and adding. In our English groups, some of us have been reading and writing about the Savannah, some of us have been looking at The Lion King including hosting a chat show and some of us have been focusing on our grammar and punctuation.

Lots of us have enjoyed getting out and about this term! At the farm some of us have been feeding chickens, we got to see some baby calves and even went on a tractor ride! During Experience Afternoon some of us went to Bucklebury Farm Park where we fed goats, sheep and deer. On a Friday some of us have been swimming. We are starting to set our own challenges including working on swimming stamina. More of us have started going out on work experience with some of us now at The Control Tower, Shoe Zone, Sainsbury's, Hobby Craft, WH Smith, Marks & Spencer, and Little Quavers music group.

In the kitchen we have been working on our independent skills and working with different members of the class. It can be challenging at times- we have to remember to work as a team and try to get along with everyone.

In PSHE we have started our unit on drugs and alcohol. We have been learning about the risks and consequences of drugs and alcohol abuse and what we can do to help keep each other safe.

Last but not least... Ellie and Ethan went to a table top cricket tournament at Addington with Wallingford Class and they came back with silver medals!

Some photos of our learning
