

# Classroom News

Class Name: Conway

Term: Summer 1

Topic: what's on your plate

## What we have been learning this term:

## Some photos of us!

This term we have welcomed 2 new members of staff to our team. Emma and Rhi really great to have you with us.

Conway class have enjoyed this terms topic of "what's on your plate". Lots of food tasting in our like/ dislike lesson. Well done Charlie for having a nibble on a piece of apple and the popcorn was a hit with Taksheel.

In art we have made lots of pictures of fruit using different painting and mark making techniques we have used spaghetti, wool splats, string pulling, and ice lollies. Thank you Lili for going above and beyond as our resident artist, and a round of applause for Jim who weaved our bowl for the fruit to go in.

We have seen a welcome return of rebound therapy for some children a new experience. I haven't seen moves like Rocco's before - amazing!

Can we take this opportunity to say a big thank you to Becca from Pembroke Class for introducing us all to Lego therapy which has been a hit with all the children but gives Bobby the opportunity to show off his great signing by telling us what colour comes next.

We have been running our snack shop for a few weeks now the class sort coins into colours brown and silver. Then using different methods the class take it in turns to exchange coins for their snack. Charlie has shown great progress in waiting for his turn which is a great skill to be mastering. Have a lovely half term and hopefully enjoy the sun.

Conway team.

## Dates & Points to remember:

End of term 27<sup>th</sup> May 2022

Return to school 6<sup>th</sup> June 2022
