

Classroom News

Class Name: Skipton

Term: Summer 1

Topic: People who help us

What we have been learning this term:

Skipton Class have continued to be hard at work this term and we have been taking full advantage of the sunnier weather to get out and about, both on the school site and off-site!

We have begun to visit Thatcham Discovery Centre, enjoying spotting different wildlife and plants (especially all the ducklings and signets!) as well as visiting the park after our walk. We have also been extremely lucky to have a trip aboard the 'Rose of Hungerford', taking the barge along the canal, finding different things on our checklists and going up and down in the lock!

In our life lessons sessions we have been exploring 'Healthy Living', sorting foods into different food groups and we have begun to think about how to plan a healthy meal using our favourite foods.

We have also started our swimming lessons at Northcroft Pool! This is definitely the highlight of our week and everyone is working hard towards their individual targets in the pool.

We have also been continuing with our Rebound Therapy sessions and this term I have worked through the Wistrada Grade 1 and 2 assessments with children working at their own levels.

In cooking, we have been focusing on following recipes with increased independence and on keeping safe in the kitchen. It has been wonderful to see everyone working together as a team to create some amazing foods!

We hope you all have a lovely half term!

- Kate and The Skipton Team

Some photos of us!

Dates & Points to remember:

Last day of term: Friday 26th May

First day back: Monday 5th June

Swimming begins: Tuesday 25th April

School photographer: Tuesday 20th June

Sports Day: Thursday 22nd June

Castle Fest!: Saturday 24th June

Last day of term: Wednesday 19th July
