

# Classroom News

Class Name: Blaise

Term : Summer 1 2023

## What we have been learning:

This term we have been VERY busy! Our topic has been 'Superheroes' and our story has been 'There's a superhero in your book.' We have made superhero and baddie marshmallow men, superhero masks and created our very own superhero images with our hand prints while exploring various powers such as flying, strength and stretch in Let's Connect sessions.

We had lots to explore and celebrate this term and we marked King Charles III's coronation by making crowns and cupcakes with a switch activated whisk which we then decorated with icing crowns in our chosen colours. We also had a royal photoshoot and practiced our mark making on to silhouette outlines of the King which were mounted to create large stamps. These will be minimised on the printer and sold as gift cards at the summer fair.

The pupils have also all worked hard on their own super powers (targets) and have shown some wonderful communication, physio, self-help and OT skills.

## Dates & Points to remember:

Last day of term: 26<sup>th</sup> May

First day back: 5<sup>th</sup> June

## Some photos of our learning:
