

Classroom News

Class Name: Conway

Term: Term 5 2022-2023

Topic: Superheroes

What we have been learning this term:

This term our topic has been 'Superheroes'. Our story was 'Supertato.' We have been enjoying sensory stories, tuff tray activities and games around the story as well as creating the characters for our class display. We celebrated King Charles III's coronation. We made crowns and wore them to the party with Cardiff Class.

Maths-Shape, space and measure.

In maths we have been exploring heavy and light and full and empty as well as exploring objects of different sizes. Some of us have been using symbols as well as using our voices to identify whether an object is heavy or light.

PE

We have especially enjoyed PE this term and experimented with different ways of moving our bodies on the climbing apparatus. We have all gained so much confidence in climbing and balancing as well as enjoying playing ball games with our peers.

PSHE

In our PSHE sessions, we have been looking at photographs of different people who are happy or sad. Adults in our class have labelled the emotions and we have had the opportunity to match the feelings to the symbols. We have also been answering 'yes, no' questions as to whether each person is happy or sad.

English

Our sensory story this term was 'Supertato'. As well as exploring the relating object such as potatoes and other vegetables, we took part in related activities and games to deepen our understanding of the story. WE used the games as opportunities to answer questions about the characters and what is going on in the story.

In mark making we have been practising our fine and gross motor skills. We have enjoyed making marks using different materials. Some of us have been working on our pencil grip and letter formation!

Some photos of us!

Dates & Points to remember:

Last day of term: Friday 26th May.
First day back: Monday 5th June.
