

Classroom News

Class Name: Tiverton

Term: Summer1 2023

Topic: The Romans

Some photos of our learning:

What we have been learning

Our Topic this term is The Romans. In English the students have worked in pairs or individually putting together a presentation to share with the class a topic about The Romans. For example Wilson and Jake are preparing a presentation about the emperors. Dylan M made us a presentation showing the Roman Numerals, which the class then used to decode some Roman sayings. In maths we have been focusing on telling the time and money. The class were very excited recently when they had the opportunity to handle money in a real life experience in the shop. So we will definitely be doing this again next term. In Science the class have been looking at plants with Charles and have also planted down in the poly tunnel so fingers crossed for some lovely produce. We also painted bunting to commentate the Kings coronation and the class were very proud to find their bunting hanging up. We were very lucky as they allowed us to eat our Coronation biscuits we had made in the café.

Dates and events:

- 22nd June Sports Day
- 24th June Castle Fest
- 18th July Beach Trip as a class
