Class Name: Pendennis Term : Summer 1 2023 Theme: Heroes, Villains and Rotten Romans

What we have been learning:

Hello everyone,

As you can see from the snapshot of photos we have been very busy again.

One of our main focuses this term has been our PSHE – Speak out, Stay Safe. This has built on our PANTS work we did last term. One element within this has been thinking about the safe adults in our lives who we can go to if we have a problem. It may be good to talk about this at home too so that they know there are people outside of school who they can turn to if they have a problem.

In English we have been practicing our poetry skills and looking at rhyme, alliteration and similes so far. Maths has been all about time.

The other big focuses in Pendennis class are our communication and independence skills. You can see this in a couple of the photos.

Finally, in PE we have been playing badminton, in art we have finished Pointillism and have moved onto Kandinsky. In history we have been looking at Romans, Geography different parts of the United Kingdom and Science we are studying light.

So you can see, we have a very busy timetable.

Have a good half term,

The Pendennis Team.
