

Classroom News

Class Name: Cardiff Term : Summer 1 2023

What we have been learning:

This term our topic has been 'Superheroes'. Our story has been 'There's a superhero in your book.' and we have enjoyed exploring the baddie 'The scribbler' who scribes in books and the superhero's powers such as super stretch, super speed and controlling water.

We celebrated King Charles III's coronation. We made and decorated biscuits and ate them during a party with Conway Class.

Magic moments

We have had lots of wonderful magic moments this term including;

- Thomas laugh and giggle during our morning circle time.
- Lexie exploring the toys in Adventure Time, choosing one she likes and taking it back to the classroom with her.
- Sienna becoming a secretary by sending her email on the computer keyboard and taking calls on the old phones.
- Freya talking so confidently and clearly to us, especially telling us when she felt unwell.
- Lily wearing her hearing aid band for full days, a huge achievement.
- Leo surprising visitors during our Superhero Day by pulling off his Batman mask and saying 'It's me!'
- Bobby taking such a keen interest in puzzles and learning to sign 'hippo'.
- Hafsah has been saying lots of different words and telling the adults where she wants to go.

Some photos of our learning
