

Classroom News

Class Name: Windsor

Term: Summer Term 1

What we have been learning this term:

Some photos of us!

In English, we have been writing about our trips into the community and our workshops with visitors. Students have been communicating well with a range of people. We were lucky enough to have Fink Kitchen visiting us. We worked with James and Lewis from Fink Kitchen, to make yummy halloumi wraps.

As you know, we have been working very hard as a team, towards the Agricultural Challenge. During the final, we spoke to the judges about our work. We won third prize overall. We won first prize for our scare crow (partly thanks to Louise singing 'let it go' from Frozen, and making the judges smile! We also won first prize for our collage, which we worked hard on.

We went to a farm in Enborne to feed the animals and were able to talk about what we saw.

Windsor class have been working developing our positional language skills in maths this term. We have been giving each other instructions to move around the room, as well as programming our beebots.

We have also been practicing our money skills in our snack shop lessons, and when we buy our cooking ingredients in the supermarket.

We have also been practicing measuring and reading recipes in cooking, and made a tasty hedgehog cake for the competition/

In PSHE, we have been thinking about anti bullying and how to say no, if someone does something that we don't like.

Our year 11's have been familiarising themselves with Post 16, and have been lucky enough to take part in P.E lessons

Dates & Points to remember:

in the Sports hall. Everyone is very relaxed and happy at Post 16 and will do really well there in September. We hope you have a lovely half term. We are looking forward to lots of exciting trips and activities in June.

5th June – Snelsmore.

12th June – Donnington Park

22nd June Sports Day – details to follow.

5th July – pizza making workshop at Pizza Express

10th July – trip to The Craven arms to toast our Year 11's
