Class Name: Calshot

Term: Term 5

Topic World War 2

2024-2025

What we have been doing this term:

This term may have been short but we seem to have crammed a lot of things in! To coincide with VE Day, we have been learning about World War 2 and why it started and what life was like for people through evacuation and rationing. We celebrated VE Day with our own party at Post 16 – an amazing afternoon with dancing and wonderful cakes and sausage rolls cooked by the students. In English we have been focusing on alphabetical order and using a dictionary. In Maths we have looked at place value (hundreds, tens and ones) and using it to help us with column addition and subtraction. In PSHE we have been learning all about healthy and unhealthy habits and the effects of the choices we make on our bodies. This has included alcohol, smoking, vaping and drug use. In Life lessons we have been learning about the legal age you can do things in our country. We have learnt about the justice system and the SEND Annual Health Checks. In cooking we have made a range of sweet and savoury scones for VE day and a tasty pasta dish. We enjoyed our Travel by Train training with Dan from GWR.

Have a lovely half term!

Karen, Helen, Rachel, Lisa and Lorraine

Some photos of us!

Dates & Points to remember:
