Class Name: Danby

Term 5 2024-2025

Topic: Growing

What we have been doing this term:

Some photos of us!

Danby Class Term Highlights

This term in Danby class has been fantastic! We started our topic on growing by planting sunflower seeds. We've been closely watching them grow and keeping a plant diary to track how we take care of them. We also planted some radishes!

In reading, we've enjoyed stories about plants and gardening. We've learned how plants grow, and learned new plant-related words, and written about the steps to plant a seed.

In maths, we've been practicing counting coins. We've learned to count by 2s, 5s, and 10s, and have been counting both the same coins and mixed coins.

In PSHE, we focused on friendship and kindness. We even started a kindness garden to recognize our classmates for their kind actions.

We had a great trip to Youlbury this term, where everyone loved the archery and crate stacking activities. We're excited to go back on 9 June for another fun day!

In cooking, we made some delicious dishes like spaghetti bolognese, shepherd's pie, VE Day cupcakes, and chicken nuggets. What a fun term it has been!

Dates and Points to remember:

Last day of term: 23 May
First day back: 2 May
Youlbury 9 June
Sports Day 19 June
Bandstand 3 July
Sprout's Yard 16 July
Last Day 22 July
