Class Name: Wallingford Term: Summer 5 2024-2025

Topic: Growing

What we have been doing this term:

A short but wonderfully fun half term in Wallingford class. We have continued with our known routines and enjoyed a lot more time outside in the good weather, being able to access the health walk again now it's dry and enjoying the nature change with the seasons.

Last half term we planted a lot of seeds and we have seen those flourish, everyone has worked hard to weed and prepare our beds and plant out our vegetable plants. We hope that some of the vegetables will be ready to harvest before we finish the school year in July.

Dan the train man from GWR came into class to visit us in preparation for our 'try a train visit' in early June. Most of the class remember Dan from our journey with him last year and they loved hearing about train travel and using some of the items Dan brought into share.

A big highlight of the term was the Post-16 VE day celebration. We talked about the end of the war and what it meant to the people in the UK, but the main focus was around preparing food (sausage rolls) and joining in with lots of traditional games, dances and songs during the afternoon.

The Wallingford Team

Emma, Michaela, Sharon, Mav & Tracy

Dates & Points to remember:

Last day of term: Friday 23rd May 2025
