Class Name: Pembroke

Term: Term 5 2024-2025

Topic: Bugs Life

What we have been doing this term:

✿ A Wonderful Term of Learning and Exploration! ✿

What an exciting and busy term it's been! The children's enthusiasm and curiosity have truly made this a term to remember!

The children have loved exploring the woods and discovering the natural world around them. One of our favourite activities was hunting for bugs – a great way to show off their curiosity and build observational skills. This term, we've ventured further around the school, helping the children to feel more comfortable and confident in their environment. Our recent trip to the local park was a huge success! The children transitioned beautifully, walking calmly with their friends and responding brilliantly to visual and verbal instructions. It was a lovely outing full of smiles and teamwork.

Our budding artists have been busy designing and creating their very own minibeast creatures and colourful flowers. Their creativity and attention to detail were amazing to see!

We've seen some lovely friendships develop this term. The children have been playing lots of games together, showing fantastic turn-taking and sharing – especially with toys. It's been wonderful to see their social skills blossom.

Reading and phonetic awareness have made great strides this term. The children are becoming more confident in recognising sounds and words – well done to everyone!

We've had more swimming opportunities this term, and the children have really enjoyed the chance to build their confidence in the water.

A highlight has been creating our very own bug hotels – a fantastic blend of science and creativity! We've also enjoyed "Bucket Time" activities, including a fun Hungry Caterpillar session that the children loved.

We're pleased to let you know that Rebound Therapy has started this term. It's a great opportunity for the children to develop balance, coordination, and confidence in a fun, supported way. The children have loved exploring the trampoline and have shown some great listening and communication skills!

We're so proud of all the progress and joy the children have brought to our classroom this term!

Some photos of us!

Dates & Points to remember:

Last day of term: Friday 23rd May 2025.

First day back: Monday 2nd June 2025.

Photo day: Monday 16th June- Wednesday 18th June. I will email an exact date once this has been released.
