

# Classroom News

Class Name: Farnham

Term: Summer 2

Topic: Volcanoes and Earthquakes

## What we have been learning this term:

What an amazing term! We've had so much fun spending time outside with all of our friends this term.

Farnham class had a morning of games on the field with the whole school to celebrate the Queen's Jubilee, followed by a picnic lunch. We had lots of fun activities in sports day and loved all the adults cheering us on for the races in the afternoon.

It was so lovely to see the students perform at The Bandstand – some of Farnham students were very brave and sang for the whole crowd with choir! We have been very competitive with our cooking this term - the students researched a cookie recipe of their choice, baked them and then rated them to find the ultimate cookie (and chef).

Farnham class spent time learning all about volcanoes and earthquakes. All the students painted their own model of a volcano and then watched as it erupted!

Thank you to all of the students for a fantastic year – wishing you all the best for September!

*The Farnham Team* 😊
