

Classroom News

Class Name: Skipton

Term: Summer 2

Topic: Volcanoes!

What we have been learning this term:

This term we continued our amazing learning around 'Volcanoes!'.

In English we have used the text 'Volcanoes' to support the learning in our topic. This term we have focused on revisiting learning from last term and exploring volcanoes around the world. We went on a scavenger hunt to locate volcanoes and added them to a world map, noticing clusters of volcanoes in different areas. We then chose a volcano to research in further detail online and created a fact file. We have also been on a virtual field trip to The Iceland Volcano Centre which was very exciting!

In maths, we have begun to explore statistics. We have focused on making and reading tally marks and used them to record data. We have also looked at reading and creating pictograms as well as interpreting them by answering questions.

In our cooking sessions, we have been exploring summer puddings. Skipton Class have been working well at reading recipes, identifying ingredients and equipment that we will need and following instructions to keep safe in the kitchen.

For the last few weeks we focused on talking about summer experiences, starting with a trip to Bournemouth Beach! We had such a fantastic day; we played in the sand, digging holes and building sandcastles as well as playing in the sea. It was wonderful to see everyone enjoying themselves so much!

It was also wonderful to see so many of you at our Horse Riding Awards Ceremony. Skipton students have worked so hard at their riding and horse care this year and it was a great celebration!

Thank you for all of your support over the last year, we hope you all have a fantastic summer and look forward to welcoming you back to The Castle School in September!

- Kate & The Skipton Team

Some photos of our learning!

Dates & Points to remember:

Last day of the school year: Friday 15th July 2022

First day back: Monday 5th September 2022

Last day of term: Friday 21st October 2
