Class Name: Flint

Term: Summer 2

## What we have been doing this term:

Flint began the term with the Jubilee picnic at Love Lane where there were an array of stalls manned by Castle pupils from all classes. Students enjoyed sitting in the warm sunshine eating the picnics they prepared.

In June, Flint class, alongside many of the other students at Post-16, sat their Maths and English assessments. We are so proud of all of our students and are really pleased with their achievements. The results will be confirmed at the beginning of the summer holidays. As part of the PSHE programme, students have been discussing healthy relationships, break-ups and acceptable and unacceptable behaviours. For PE, they have played team sports, worked out in the gym or joined Jess and the Just Dance team.

Ciara, Neah and Amy were in the excellent Drama production written by Anna about the Castle Covid experience and performed on the Bandstand in Victoria Park. We all went out on our end of year trip driven by our very own Headmaster (Thank you Jon!). The students were very patient and after a long wait for our access passes, we managed to get some turns on the Vampire ride, the Gruffalo and the high swings. Credit must be given to Hakim who braved the front of the rollercoaster with Jon. Later in the term, we all walked over to Greenham Common where, upon arrival, we enjoyed a drink and a cake at the Control Tower café.

Of course, the event of the term has got to be the prom. Chrissie and staff waited for the students to go home before going to town on the decorations. Post-16 looked almost as fabulous as the students! There was a lovely spread of food (our very own Ibrahima prepared both the fruit platter and the salad) and there were disco lights, music and lots of dancing. We took lots of photos and will be sending them on shortly!
