

Classroom News

Class Name: Chillingham

Term: Summer 2 2022

Topic: Summer

What we have been learning this term:

This term we have been looking at the topic 'Summer'. We have looked at the clothes we wear in summer, what we do in the summer and explored sand and water. The children really enjoyed making sandcastle pictures in Art. We mixed sand with paint and then painted them onto a large A3 outline of a sand castle. The children all chose their own colours, helped mix the sand and paint together and focussed on their paintings.

In English our focus has been on writing. The children have worked on their specific targets such as: tracing straight line patterns, tracing letters, copying letters and composing and writing sentences.

In maths our focus has been size. Again the children have worked on their specific targets such as: sorting big and small, ordering objects by size and using comparative language to compare sizes e.g. bigger, smaller, biggest and smallest.

We have also been doing lots of work around turn taking and sharing resources with peers. All the children enjoy the 'Help Kidz Learn' games on the whiteboard and it is a great opportunity for them to practice: waiting their turn, responding to instructions, sharing the whiteboard with their peers and accepting when someone chooses something different to what you would like. The children have also been playing board games and sharing resources in sensory and choosing time.

We have had another busy year in Chillingham, each child has made progress which is meaningful to them and we are so proud of them all.

Have a great summer.

The Chillingham Team.

Some photos of us!

Dates & Points to remember:

Friday 15th July 2022 – Last day of term

Monday 5th September 2022 – First day of term
