What's been going on

Some photos of our learning

We have finally got to the end of a busy academic year and there has been many highlights this term!

A couple of weeks ago we all walked down to Victoria Park and watched some of our friends perform on the Bandstand. The weather was not on our side though, as the heavens opened halfway through our walk and we got quite a bit wet. Thankfully the rain stopped once we got to the park and we enjoyed getting together as a whole school! The class team were very proud of the children and their attitude about walking and getting wet – well done!!

In addition to this, we had our final KS3 Activity day at Youlbury Scout Camp. The children were very brave at abseiling and crate stacking and really enjoyed the time outside of the classroom environment.

Another great whole school event we took part in was Sports Day! It was the first proper Sports Day we've had at school for a while and Colchester Class were fantastic at team events and individual races! We loved seeing and hearing the encouragement from each of the children and so many of the children persevered, even when they started to find things tough!

Thank you for a great year Colchester Class, have a great Summer and we will see you in September!!
