Class Name: Dunnottar

Term: Summer 2

Topic: Festivals

What we have been learning this term:

And just like that the end of the year is here! I know that Hannah and the team have been so proud of everyone's achievements this year and I have absolutely loved teaching Dunnottar this half term.

We say a very sad goodbye to Becky, Ethan, Tom and Vicky who are all off to Newbury College. We are incredibly excited for them though and what their futures hold. We wish them all the very best and know that they are going to go on to do amazing things.

In school we have been working hard on our Maths and English, continuing to improve our skills. We have been thinking about relationships in PSHE and identifying attributes of healthy and unhealthy relationships. Our Experience afternoons have come to an end and everyone has really enjoyed their activities, getting a lot out of the sessions.

As work experience placements come to an end we have been reflecting on skills learnt and all the smiles these have brought us. It really is wonderful to see and hear about all the successes the students have in their placements. We even received an email from a member of the public praising Kareem's politeness and customer service at Greenham Common Control Tower!

We have also been out and about as a class. We went to Love Lane to join with the whole school for a Jubilee picnic, we went on a walk around Speen Moors ending up at Northcroft park for a picnic and had a fantastic day at Paultons Park. We certainly have a lot of dare-devils and speed-demons in the class! This term has also seen a big highlight in the form of the prom! Everyone looked fabulous and had an incredible time dancing the night away!

We wish you all a happy and safe summer holiday. Enjoy!

Some photos of us at Paultons Park!

Dates to remember:

End of term – Friday 15th July 2022

Back to Post-16 – Monday 5th September 2022
