Class Name: Balmoral Class Term: Summer 2 Topic: Volcanos & Earthquakes/Summer

## What we have been learning this term:

Wow, what an amazing term we have had.

We have continued our adventure time sessions with Skipton class, and have loved joining in with play based learning themed to world ocean day, healthy eating week, national sport week, the beach and summer!

We have also enjoyed a few trips this term too! Our visit to the beach was amazing, we all enjoyed being on the sand and eating our fish and chips, some of us even paddled in the sea! It was great fun.

We then had our performance of 'Shot Gun' by 'George Ezra' at the band stand in Victoria Park. It was lovely to be able to showcase our incredible singing and signing that we had worked so hard on.

We have also had a lovely visit from Newbury Library, who came in to tell us all about the summer reading challenge; I was so proud of the questions all of the pupils had to ask the librarian.

In English, some of us have explored creative writing about personal experiences, and have used our trip to the beach as a hook for our writing. Some of us have explored our beach trip in a sensory way through choice making.

In Maths we have been streaming with Skipton and have split into different groups, with some of us exploring cause and effect and others learning all about data collection.

Balmoral class, thank you so much for being so amazing, I couldn't have been prouder to be your teacher. I wish you all the very best for your next adventures.

## Dates to remember:

- End of term: Friday 15<sup>th</sup> July
- First day of term: Monday 5<sup>th</sup> September

## Some photos of us!
