What we have been learning

Some photos of our amazing achievements this half term.

## Sports Day

It was very humid on sports day and it rained, but we enjoyed it! Our parents came to watch “my dad said it was outstanding!” Said Oscar, Jasmine and Ethan C. “On sports day I threw the Vortex past the measurement!” Said Harvey. “Our team ran the best relay on sports day, we were so fast!” Said all.

## Band Stand

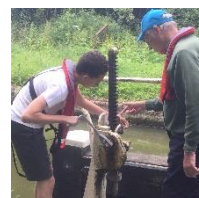

It rained and poured down at the beginning, but in the end it was sunny! It was good to see everyone, especially Post 16. We played songs on our Ukulele’s; you are my sunshine, the lion sleeps tonight and the 3 little birds. Everyone sang along with us and then clapped and cheered!

## Fantastic Mr Fox

Jess came in from the Corn Exchange to teach us drama. We performed in front of 167 people at the Corn Exchange. We felt embarrassed, nervous and terrified. “I had sweaty hands” said Ethan C. But it felt good when we had finished. “My mum said we were super fantastic and I was good singer” said Oscar. “Ethan C dad said I was very funny in the play” said Joe.

## Boat Trip

“The locks were hard to open and close” said Ethan C. “It was a magnificent day” said Kurt. “It was hard to steer the boat and I did go into the trees!” Said Jasmine.
