

Classroom News

Class Name: Dover

Term : Summer 2 2023

What's been going on

It's the end of another school year! Dover Class have all grown in independence and self-esteem, and have made so much progress socially. The students have amazed us everyday with their love of learning and general enthusiasm for everything they do – they really have been a joy to be around.

Here are just a few of this term's highlights...

On Sports Day, the class demonstrated team work and great perseverance throughout the very hot day! In the morning, students completed 11 field activities. They scored 1189 points which meant they came 3rd! ☺ In the afternoon, students completed a track race against other students of similar ability. It was wonderful to hear students cheering their peers on and giving them words of encouragement.

Another highlight, has to be Dover performing the drums at the bandstand at Victoria Park. Prior to the performance, some students were extremely nervous and didn't want to perform. We were so pleased that everybody decided to join in with the performance. They did amazingly. Everyone was so proud.

The Dover Team have thoroughly enjoyed working with each student and wish the students who are moving classes the very best. We will miss them! We ask that they all now use the next few weeks to rest and have a well-deserved break but most importantly stay safe as they enjoy their summer holiday. We will look forward to seeing all of their faces around the school when they return in September 2023.

Finally, the Dover Team would like to say a huge thank you to YOU for your continued support this academic year.

The Dover Team
