Class Name: Wallingford

Term: Term 6 2022-2023

What we have been learning this term:

I can't believe that we are at the end of the school year already! This term has been busier than ever with so many lovely things going on and lots of days out. We have been busy cooking for various events this term such as prom, the World of Work celebration, our Post 16 street party and our picnic at Victoria Park. Sausage rolls and cupcakes are now our speciality! We enjoyed a day at Bournemouth Beach where the typical British weather didn't stop some of us from going in the sea! We also had a day at Beale Park where we enjoyed seeing the animals and even watched the otters being fed. Some of the students took part in sports day and the music event at the band stand. They all tried their best and we were really proud of them for taking part. This year's Prom was a hugely successful event. I don't think I've ever seen so many students on the dance floor at one time doing the YMCA! Wonderful food, great music and everyone dressed in their best outfits – a truly great experience for them all. Last week we were lucky enough to attend a Cricketing skills day at Falklands Cricket club with Chris from Berkshire Cricketing Foundation. In art, the students have been looking at Graffiti art with Renee. They have looked at the work of graffiti artists like Banksy and have been making their own graffiti creations in chalk on the walls of Post 16. Archie and Marcos have been busy doing transition visits to their new colleges. We'd all like to wish Archie and Marcos all the best for next year when they start at Sparsholt College and Newbury College. We will all miss you very much! Lastly, I wanted to say thank you for all your support this year – I have truly loved being your young person's teacher and watching them grow over the past year. I am moving to primary house but will be keeping in touch to find out how they are all getting on.

Wishing you a lovely summer holiday!
