

Classroom News

Class Name: Cardiff

Term : Summer 2 2023

What we have been learning:

This term has been all about 'People who help us'.

We have had a visit from a fire engine, fire fighters, a police car and a police officer. We had a great time exploring the fire engine. We climbed up into the cab and exploring the equipment. The torches and hose were a hit!

We have had an amazing year in Cardiff and we are very proud of everyone and what they have achieved this year.

Lily, you have explored and eaten new foods and it's been so wonderful to watch you sing with Shannon.

Lexie, you have shown how independent you are by communicating what you want and don't want. You have been transitioning brilliantly to lots of different place.

Thomas, your smile and laugh during our circle time songs has made us all smile, every morning.

Hafsah, you have grown and flourished this year and we have loved watching you enjoy being at school and hearing your voice.

Sienna, we've seen your cheeky smile and sense of humour. You have initiated games and interactions with other people.

Bobby, your want to communicate is infectious. You work hard to use lots of different strategies to communicate.

Freya, you have embraced life at Castle School and adapted brilliantly to changes. You are great at make choices and telling us what you want or need.

Leo, you have worked so hard this year and you want to learning everything and you have an amazing imagination.

We hope you all have a great summer holiday.
