Class Name: Blaise

Term: Term 6 2022-2023

Topic: People Who Help Us

## What we have been doing this term:

Our terms topic of 'People Who Help Us' has flowed seamlessly from last term's 'superhero' them as we have been reading the Poem 'Superheroes - a Multisensory Adventure' Within this we have explored the heroes in society while linking them to us as individual heroes: 'I'm told superheroes are people who help us like the escort and the driver on the school bus, but the main superhero? Well, that's me If I didn't come to school, none of this would be'

With this in mind we have explored roles such as fire fighters and police officers in our Let's Connect and Topic work as well as the school caretakers, cooks, teachers and bus drivers.

The pupils also got to meet some real life fire fighters and police officers, looking at the many tools on the fire engine and experiencing the various sirens and uniforms of each. They then dressed as firefighters and tried to activate a hose to wash away our pretend fire.

This term also involved a very successful sensory sports day and offered Blaise students the opportunity to go off site on their first ever class trip to TVAP! We were so proud of how well they all coped with the change in routine and engaged with the various unfamiliar resources. They loved getting wet in the splash pool, chasing bubbles, playing instruments in the music room, exploring the soft play and having an alfresco lunch with a view of the lake.

We have seen some wonderful achievements this term too with a big mention going it to a certain young lady who had a successful assessment for a Hi-Tec communication device – we can't wait to hear all that she has to say when she returns in September!

## Some photos of us!

## Dates & Points to remember:

- **Last day of term** – Wednesday 19<sup>th</sup> July.
- **Inset days** – Monday 4<sup>th</sup> and Tuesday 5<sup>th</sup> September.
- **Pupils first day back** – Wednesday 6<sup>th</sup> September
