Class Name: Flint

Term: Summer 2

## What we have been doing this term:

For our final newsletter of the year, I have asked our roving reporters to write accounts of their favourite class trips.

This term, we went to Mudeford beach as a class. It was warm and we went on the beach. We played with the kite by the sea whilst some of us ate our lunch.

Then we went to catch a crab but none of us caught any crabs. The funniest thing was when Maryjane got pooped on by a seagull.

NEAH

This term, we went on a trip to Coate Water to play crazy golf. The funniest moment was when Hakim lost his ball in the hedge and we never found the ball. Then we went a second time and Duncan was playing mini golf like it was hockey. The winner was Amy with 52 points and Chris in second place with 56 points. We did try finding Hakim's lost ball but we could not find it. Next, Duncan took a shot, the ball went into the same hedge, and we lost that one too. SEAN

## Leavers Highlights

This year we say goodbye to seven of our class; Ciara, Duncan, Ethan, Hakim, Ibrahima, Joshua and Marcus will be leaving us this summer to go on to Newbury College.

Here are some words from some of our leavers:

My favourite part of being at Post16 is doing Just Dance on Friday mornings with Rachel.

I am proud on passing my Entry Level 1 Maths and Entry level 3 English. I will miss being at Post 16 because everyone has been amazing and been so helpful towards me this year. However, MaryJane has been very understanding in situations I have got into. Charles has been an amazing choir teacher. I will miss going to choir every Friday afternoon. I have been going to four different work placements for work experience like Newbury Library, Sainsburys, Scope and Fairclose; it was fun and different. I will miss my friends who are staying behind at Post16. I loved being in Totnes with Kieron. Thank you to the WOW team and all of the teachers. CIARA

My highlight of being in Post-16 is when I went to Thorpe Park with my class Flint for a school trip as we rode on the thrilling roller coasters such as Colossus, Saw, Stealth, Tidal Wave and The Swarm. The trip at Thorpe Park is substantially better than Chessington park.

I had a great time at Post-16 because I spent my time with my friends as we'd played games on the xbox 360 in the meeting room. Not only did I have Kieron in my class but I also met my new teachers such as Dani, Jess, Jessie and Siân. Dani and Jess became my favourite teachers.

I remember that Flint had a trip at Snelmore Common where we played a few games which I was the last person to be caught before I got caught by Jess when I was out of breath. ETHAN

My highlights of the year were going to work experience. I really like working at Donnington Valley Hotel, where I prepare the food for lunch and breakfast. I am happy I passed Entry level 2 English and Entry level 3 Maths. IBRAHIMA

This term, we went to Thorpe park as a class and it was so nice to get out after we did our exams because they were stressful. The best part was when we went on Saw and one of the boys screamed. AMY

We cannot send out this newsletter without mentioning the prom. Amy's Dad Steve was kind enough to provide the music and lights and Zack's mum spent five hours making a beautiful balloon arch. Our students looked wonderful and it was the best Prom yet according to many of them. Flint students were delighted to see Jess return to Post-16 to see them and a great time was had by all. Huge thanks have to go to Nicole for organising everything.

We hope you have a wonderful summer! Thank you for all of your support! See some of you in September!

Maryjane, Siân and Chris
