Class Name: Lulworth

Term: Term 6 2022-2023

What we have been doing this term:

Summer term has seen Lulworth increasing their love of the great outdoors.

We found our sea legs as we embarked on a new activity of sailing. Huge smiles were shown by all as we learnt to man the rigging, understand about wind direction and work towards becoming independent sailors. Jon came to join us as the students taught him all the sailing essentials.

Our regular visits to Smelly Wellies have seen the students really grow in confidence with caring for the animals. We've helped with bathing the guinea pigs, preparing delicious snacks and using our photography skills to help update their social media.

Individual offsite visits have been really successful, these have included: nature walks in local areas, trips to Ikea, Earth Trust and climbing.

The Lulworth Team wish you all a lovely summer holidays and look forward to welcome you back to our brand new classroom in September! ☺
