

Classroom News

Class Name: Balmoral

Term: Summer 2

Topic: Superheroes

What we have been learning this term:

We have had a fun filled term, and have had lots of fun learning in the sunshine!

Swimming lessons have continued to be a success, we have all been working hard to improve our skills in the water.

Our topic this term has been '**Superheroes**'. We have explored superheroes in **literacy**, and have even started to create our own superhero stories! We have been working hard to create our own characters, settings and storylines.

In **Maths** we have been learning about time! We have been ordering numbers on a clock, identifying the hour and second hands, and working out time to the nearest hour and minute.

In **Rebound** we have been working on our seat drop, practicing the move in different steps. We have loved visiting **soft play** during this time too, and have all joined in with superhero role-playing games there.

In **cooking**, we have been making smoothies, fruit ice lollies, frozen yoghurt and ice cream. We have all safely and successfully use the blender this term.

We want to wish you all good luck in your new classes for September. Have a wonderful half term!

- Louella and The Balmoral Class Team

Last day of term: Wednesday 19th July
First day back: Wednesday 6th September
