

# Classroom News

Class Name: Chillingham

Term: Summer 2 2022-2023

## What we have been doing this term:

This term Chillingham have been looking at the weather. We have been using PECS to identify whether it is sunny, cloudy, snowy or rainy.

In Attention Autism, we have been feeling hot and cold objects, such as hand warmers and ice. We really enjoyed eating the ice lollies at the end of the session!

We have been enjoying a lot of water play outside as the weather has been so hot. We like being splashed with the hose pipe and filling the paddling pools up with mud!

Some of us enjoyed a trip to McDonalds. We used our PECS to order our own meal, then got back on the bus to eat at school...but most of us had already finished eating by the time we arrived back!

We have also been out to Donnington Park where we enjoyed running around and playing on all of the new equipment. We had a little picnic for snack, then carried on playing!

We are now all tired and excited for the summer holidays!

## Some photos of us!

## Dates & Points to remember:

Last day of term: 19<sup>th</sup> July 2023

First day back: 6<sup>th</sup> September 2013
