Class Name: Plympton

Term: Term 6 2022-2023

What we have been doing this term:

Some photos of us!

This term has been a fantastic term for our Class Enterprise. Plympton successfully grew and nurtured plants to sell successfully at the school fete this term. As well as this, Plympton also set up a stall at the WOW Celebration event, demonstrating their entrepreneurial spirit once again.

This term has also seen a successful end to the year at Growing2Gether, growing and selling organic lettuce that we grew earlier this year. Our sunflowers, peas, cosmos, beetroot, carrots and tomatoes (donated by the Inghams Plant Nursery) have given us great pleasure in our allotment patch. Thank you for having us at growing2gether.

This term we have seen some successful class celebrations, with offsite trips celebrating the hard work of our class, pizza parties, pre prom parties, live music and belated coronation parties.

We have also celebrated the release of original music, with Aiden releasing his song 'Follow Your Dreams'.

A big thank you and well done to all the hard working staff and students in Plympton Class.

Have a wonderful summer,

Aaron
