Class Name: Pembroke

Term: Term 6 2022-2023

Topic: People Who Help Us

What we have been doing this term:

Some photos of us!

Well, we had a busy term in Pembroke class!

Our topic this term has been 'People who help us'. Our story this term was 'A Superhero Like You'.

In English, we have been focusing on answering blank level questions in relation to our story.

In maths, we have been learning about positional language with teddy and his box.

We have loved this topic! A fire engine and crew visited us- We were even allowed to sit in the fire engine, and use the hose. We continued exploring firefighters by putting out our own (fake) fire on a shower curtain.

Unfortunately, we had some rather poorly members of staff. However, our kind little doctors were there to save the day!

We had Sport's/Activities afternoon. We all really enjoyed running round the field and trying the different activities.

We enjoyed lots of dancing and singing this term.

From all of us in Pembroke class-
Have a wonderful Summer.

Dates & Points to remember:

Last day of term: Weds 19th July

First day back: Weds 6th September
