

Classroom News

Class Name: Carisbrooke

Term: Term 6 2024-2025

Topic: Hobbies & Leisure

What we have been doing this term:

This term we have been very busy!

Englefield School Day

We started out the term with a trip to Englefield estate. We were able to learn about honey bees, nature, community and local history. We had a tour of the house and saw lots of different historical object and even got to try sitting in a Victorian bathtub.

Sports Day

It was a very hot sports day this year. We enjoy a range of different activities from ball throwing, long jump and hockey.

Rock Choir

The school had a visit from rock choir, we sat out on the field and enjoyed the performance. We sang and danced along with the choir and had a fab afternoon of music.

Visit from GXO

GXO came to visit school for the day, they gave us a talk all about safety around big lorries. We were also able to sit in the cab of the lorry and beep the horn!

Finkley Down Farm

The farm was a great day out we loved visiting the animals and saw lots of goats, sheep and cows. We loved jumping on the giant bouncing pillows and playing in the soft play.

Bandstand

We went to Victoria park for the school's annual bandstand performance, we loved the songs and performances from our classmates. 😊

Some photos of us!
