

# Classroom News

Class Name: Conisbrough

Term: 6 2024-2025

## What we have been doing this term:

## Some photos of us!

We have reached the end of another amazing year and are ready for the summer holidays. Our students have reflected on their year and shared some of their highlights.

Some are proud of themselves now enjoying offsite visits to colleges to think about next steps (Congratulations to one moving on!) and really enjoyed a road safety talk considering safety issues around lorries, noting the blind spots especially when they cannot see cyclists – so many mirrors and cameras!

Some of our students are quite rightly incredibly proud of their achievements when they have done work experience, and we have had wonderful feedback about the progress and empathy they have shown while at work.

We had a particularly successful fishing trip – the biggest fish yet – and the level of concentration and detail put into DT has been a joy to watch.

We also went out looking for features in our landscape which reflect our local history and found pill boxes from WW2 dotted around the fields; they can be found alongside what visibly remains of former anti-tank trenches. One is now being used as a cowshed!

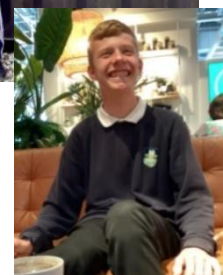

Students have been looking at money in maths and securing efficient methods for addition and subtraction of larger numbers, practising carry and borrowing where needed.

With new recycling bins in school there was an ideal opportunity to consider our environment, reducing and reusing materials and learning about sustainability.

Well done on all your hard work Conisbrough Class. We have worked together as a team and look forward to new and exciting plans for the next academic year.

*Conisbrough Team*

*Karin, Jonny, Lauren, Lauren, Donna*

## Dates & Points to remember:

Last day of term: Tuesday 22<sup>nd</sup> July 2025

First day back for 2025-2026: Friday 5<sup>th</sup> September 2025
