Class Name: Calshot

Term 6 2024-2025

Topic: Citizenship

What we have been doing this term:

We have had a lovely summer term in Calshot class filled with lots of days out and great events. We started the term with a visit from Fink Street Food who taught us how to make halloumi wraps, home-made chips and cheesecake. We then went to the Cotswold's Wildlife Park where we spent the day looking at the animals and had a workshop all about reptiles. We got to touch a snake's skin, crocodile skull and a giant tortoise shell. Thank you again for all of you who managed to visit our Calshot Café. It was such a lovely experience for the students and for them to show you the skills they have gained over the past year from their successful weekly café – not least to say the tasty sandwiches and cakes that they made. The students have also put their cooking skills to good use whilst making scones and cakes for the World of Work Celebration and for Castle Fest. The whole of Post 16 did so well at the Bandstand event singing 'Summer of '25', especially the students who were part way through their Duke of Edinburgh expedition. A huge well done to those students who completed their 20k walk over 2 days, plus camping out over-night. We had a beautiful day at Boscombe Beach where the students enjoyed playing together on the beach, paddling in the sea and their chip lunch. Prom was a huge success and highlight of the term. We've also managed to squeeze in some maths, English, PSHE and topic work this term – the students must be exhausted but a huge well done to them! We say goodbye some of our classmates this term and wish them well in their new classes and in their new adventures after Post 16!

Thank you for all your support this year - have a lovely summer!

Karen, Helen, Rachel, Lisa and Lorraine

Some photos of us!

Dates & Points to remember:

Last day of term: Tuesday 22nd July

First day back: Friday 5th September
