Class Name: Totnes

Term: Summer 2

Term 6 2024-2025

Topic: Festivals

What we have been doing this term:

We have had another busy final term in Totnes Class!

Last week, we were fortunate to visit the Base at Greenham to participate in a wildlife workshop based around the arts. The boys did a great job at recreating eyes belonging to various wildlife and took time using pastels to enhance the parts of the eye.

In Science this term, we have looked at sound and how it travels. We had a go at investigating how sound can travel through a tight piece of string and how vibrations can cause sound. The boys also attempted to make their own headphones using a range of materials to block out noise.

On Friday mornings, the boys have continued to explore the local community and engage with Newbury town centre. They have become increasingly more confident when finding shops and individual items and they have enjoyed a little more independence.

We all had a great morning at the Bandstand earlier this term performing a song that has been worked on for several months. We were all so proud of the boy's courage to get up there and do something that would make them feel a little uncomfortable.

Thank you for all your support this year and I hope everyone has a lovely, restful summer.

Kieron and the Totnes Class Team

Dates & Points to remember:

End of term- Tuesday 22nd July

New term starts- Friday 5th September

Some photos of us!
