

# Classroom News

Class Name: Windsor

Term: Summer 2 2025

## What we have been doing this term:

In English, we have been writing about our experiences and trips into the community. We use switches, communication aids, Makaton, gesture and our voices, to communicate. We have been working on our hobbies and interests topic and have been exploring a range of indoor and outdoor leisure activities. We have been communicating our choices and writing about our favourites. We enjoyed visiting Victoria park and making choices of what equipment to play on. We visited Newbury library and chose books, based on our interests. We have been working really hard to develop our reading.

We did lots of practice for sports day, and enjoyed competing in the track activities on the day. We practiced transitioning to the field and to different activities. Students took part in hoop and beanbag throwing, bowling and javelin, among others.

We loved listening to the Rock choir who visited the school and danced, clapped and moved to the music. We also loved seeing a visiting lorry.

Windsor have been learning about time in maths, linked to Sports day and have been timing ourselves to do races, and counting how many in a minute, using sand timers and stop watches.

Windsor class have also been working on developing our understanding of capacity in maths this term. We have been exploring jugs and pots of different capacities, filling and emptying them and comparing who has the most.

In PSHE, we been learning about why we need to use deodorant and where we need to wear it. We have been choosing our favourite deodorant smells. We have been using anatomically correct dolls and stories from Chailey heritage, to support us with our learning.

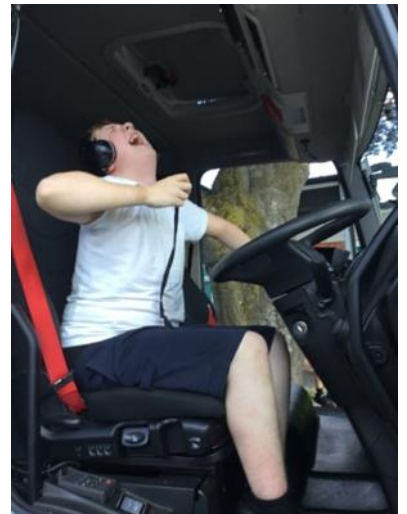

In music, we have been using boom-wackers and have been exploring other long and short instruments, and in drama we have been exploring sensory stories. In art we have been painting pebbles and mobiles for the sensory garden.

Some of us have been enjoying rebound therapy, and hydrotherapy and have been doing so well.

In our communication session, we have been doing Let's connect sessions and have been communicating more and finished really well.

We hope you have a lovely summer holidays. We are looking forward to lots of exciting trips and activities next term.

## Some photos of us!

## Dates & Points to remember:

Last day of Summer 2 – Tuesday 22<sup>nd</sup> July

Inset days 3<sup>rd</sup> and 4<sup>th</sup> September
