

Classroom News

Class Name: Powis Term: Summer 2 2024-2025

Topic: Mary, Mary, quite contrary

What we have been doing this term:

English: We have been reading Oliver's Vegetables as a class. We have loved engaging in the sensory story "The Little Seed". We've enjoyed tasting fruits and vegetables of the garden with this topic. In Phonics we have been exploring letter sounds and musical sounds, we have joined this with writing s, a, t, p, letters.

Maths: In Numeracy we have been practicing our understanding of values between 1 and 10. We have been writing our numerals between 1 and 10 and working on our line drawing skills.

Art: We have been creating flowers and bugs for a lovely summer display in the classroom.

Community: We have been exploring the shops further in Tesco and buying fruits and vegetables for our summer salads and ice lollies in cooking and food play. It's fantastic how much everyone is helping to collect the shopping!

PSHE: We have been learning to label the public and private body parts and public and private places.

Communication: We have been continuing to use switches and CORE boards to communicate when we want more or are finished with an activity. Everyone has developed their communication skills with switches so well it's been amazing!

PE: We have been practicing our sports event skills. Everyone has worked on their throwing and catching skills, this term we have even begun Rebound Therapy which had a great start. Thank you Powis class, another fantastic term! Tim Powis class teacher

Some photos of us!

Dates & Points to remember:

Last day of term: Tuesday 22nd July 2025

First day back: Friday 5th September 2025
