Class Name: Term: Wallingford

Term 6 2024-2025

Topic: Leisure and Hobbies

What we have been doing this term:

I can't believe that we are at the end of the school year already! This term has been busier than ever with so many lovely things going on and great days out. As part of our Leisure and Hobbies topic, students have plan and organised elements of these trips on the train to Hungerford, the beach at Mudeford and the Country Park at Dinton Pastures.

We have been busy cooking for various events this term such as prom, the World of Work celebration, and the Cast Fest fete. Sausage rolls and brownies are now our speciality!

We enjoyed our day at Mudeford where the beautiful weather made paddling a joy! We also had a day at Dinton Pastures where we enjoyed a picnic and the playground.

The music event at the band stand was a triumph with some outstanding performances. We were really proud of them for taking part.

This year's Prom was a hugely successful event. I don't think I've ever seen so many students on the dance floor at once enjoying heavy beats! Wonderful food, great music and everyone dressed in their best outfits – a truly great experience for them all.

Lastly, I wanted to say thank you for all your support this year – I truly love being your young person's teacher and watching them grow and celebrating achievements with them. I can't wait to see what next year will bring.

Wishing you a lovely summer holiday!

Emma, Michaela, Mav, Tracy and Sharon
