Class Name: Danby

Term: Term 6 2024-2025

Topic: Growing

What we have been doing this term:

Danby class has had a wonderful last term. We have been out to Youlbury, Sprout's Yard, the Bandstand, and Dinton Pastures. At Youlbury, students took part in either crate stacking or archery. Everyone did really well trying new activities. At the Bandstand, we performed "Walking on Sunshine" with Team Norman. We practiced for months, and it was great to see everyone participating. At Dinton Pastures, we enjoyed feeding the ducks, playing at the park, and buying ice cream. We also had picnic foods that we made ourselves. The Castle School had Sports Day on 19 June! Danby tie-dyed our t-shirts red and blue, and we were so happy to wear them out on the field.

We have continued our topic about growing, and we have planted beans, radishes, and marigolds. The beans have grown really tall, and we enjoy watering them in class. In reading, we have been reading stories about plants and discussing what they need to grow. We have been learning about gardens, the tools used in gardening, and about insects that live in gardens.

In maths, Danby class has been practicing counting money. We have been counting coins that are the same, and mixed coins. Everyone has been doing really well counting by 10s, and many of us are also counting by 2s and 5s.

Danby class has had a wonderful last term in the kitchen. We've made pizza, shortbread biscuits, raspberry flapjacks, fajitas, chicken nuggets, hamburgers, sausage rolls, and crispy cakes. Everyone has really done very well listening to and following directions, staying safe, and taking turns in the kitchen.

Music, art, and PE have been very nice this term as well. Students have been playing ukuleles in music, creating a meadow display board in art, and enjoying fun activities in PE. Overall, Danby had a wonderful year. Everyone have a nice summer and look forward to another great year in September.
