

Classroom News

Class Name: Conway

Term : Summer 2 2025

Theme: Mary Mary, Quite Contrary

What we have been learning

We have had the most wonderful and HOT! term in Conway Class.

The children have really enjoyed water play in the garden this half term and we have explored capacity, in particular empty as you can well imagine!

This term we had lovely Paloma teaching in our class. We focused on the story Supertato and the children enjoyed reading the story on the whiteboard before having a go at creating sentences to describe the pictures. We thought about who was in the picture, and what they were doing. In maths, we have been focusing on shape and positional language. The children had a teddy bear hunt outside in the garden where we found teddies under, on top, next to and in between things. They had a great go at labelling where the teddies were.

Following our main story Supertato, the children has a go at planting their own potatoes. They followed instructions to plant a potato and we thought about what plants need to grow.

We have continued to practice transitioning across the school grounds. We really enjoyed a walk to the field to listen to the Rock Choir! For those who are moving classes next year, we have taken them to their new classroom and they have met some of their new peers and teachers. We'll be very sad to see them go!

We hope you all have a lovely summer holiday and look forward to seeing you in September!

Catherine, Emma, Nikki, Holly and Amber
