Class Name: York

Term: 6

2024-2025

Topic: Leisure and Hobbies

What we have been doing this term:

PE has been a hit—we've loved swimming in the hydro pool, bouncing on the trampoline, and trying lots of different skills, tennis was a big hit.

In **cooking** we made some lovely fairy cakes, which they all loved decorating the following day and some cheese scones that the children have really enjoyed tasting and also really concentrating on how a recipe works and how to follow and find the utensils and ingredients.

In **PSHE** we have looked at our body and all our body parts. We have also looked into private and public places throughout school and personal lives.

Music has been really lovely with exploring all genres of music and looking at how different the dancing is.

In **art** we have looked at lots of summer crafts and we have been building our own summer scene display board within our class filled with all their art work they produce each week.

In **the world we live in** we have been looking at how different countries have a large range of hobbies and we have explored these and dipped into a few to try ourselves in class.

In **English** we have been using a new programme for our students called clicker and making our own sentences linked to our other lessons and activities we have participated in. These have been very personal to each student and they have all really enjoyed exploring a new programme.

In **Maths** we have still been looking at number. We have been counting, tracing number and some students have been able to move on to write these independently, and they have also been looking at addition as well.

Hope you all have a fantastic summer break.

Louella, Evie, Kirstie, Abbie, Beth and Charlotte ☺

Some photos of us!

Dates & Points to remember:

Last day of term: Tuesday 22nd July

First day back: Friday 5th September

Last day of term: Friday 24th October

Early close 1pm Friday 12th September
