

Classroom News

Class Name: Oxford

Term: Summer 2

Term 6 2024-2025

Topic: Festivals

What we have been doing this term:

We've had a busy final term packed with lots of different things.

Victoria and Albert Museum

At the end of May we went to the Victoria and Albert Museum. We visited lots of different exhibits including sculpture, jewellery and design through the ages. Our favourite exhibit was Theatre and Performance.

Steel pans

We have been working with a music teacher called Jamar to learn how to play the steel pans. We have learnt how to use two hands to play separate notes and two notes at the same time to make a chord. We have learnt the importance of playing the correct rhythm and in time with everyone else.

Lorry safety

We had a visit from a GXO lorry. They taught us about how to keep safe around lorries and had a go at sitting in the cab of the lorry.

Exploring pitch and volume

We have been exploring pitch and volume in our science lessons. We explored different instruments and how we can change the volume and pitch of the sounds.

Bandstand concert

We went to Victoria Park and the bandstand for our school concert. We played 'Rock 'n roll all night' by Kiss to the audience. We worked hard playing the drums, guitar or singing. Ryan did a guitar solo and Oscar compered the event.

Prom

The Year 11s attending prom at Post-16. Everyone looked amazing in their finery. We had a great time dancing the night away with everyone else at post-16.

We have had an amazing year and we are so proud of what everyone has achieved. Have a wonderful summer break.

Dates & Points to remember:

End of term- Tuesday 22nd July

New term starts- Friday 5th September

Some photos of us!
