

# Classroom News

**Class Name:** Pembroke

**Term:** Term 6 2024-2025

**Topic:** Mary, Mary quite contrary

## What we have been doing this term:

What a wonderful final term we have had! We have welcomed a new member into our class with open arms and we have all played together beautifully! We have continued our wonderful turn taking and sharing skills and communication across the class has continued to grow!

This term we have spent lots of time outside exploring plants and looking at how we all grow. We have carefully looked at roots, soil and flowers and how to carefully look after them. In Pembroke class, we have loved our story of Jaspers beanstalk and other plant related books. Yet again, our bucket sessions have been a firm favourite! The messier the better with the children's favourite being the colour matching balloons to the days of the week- they loved the popping of the balloons especially when the paint spurted everywhere!

We have been exercising lots with Balmoral class and even had our own team orange sports day! Rebound has been continuing to happen and every child has now been in the pool for hydrotherapy. We have had huge smiles all around and the children's confidence, listening skills and communication skills have all grown tremendously!

Finally, in preparation for next year the children have been looking at transitioning into their new classrooms, meeting their new teachers, teaching assistants and support staff!

## Some photos of us!
