

Classroom News

Class Name: Dover

Term: 6

Topic: People and their jobs.

What we have been doing this term:

What a productive Term it has been! Dover Class has fully loved, applying their English and maths skills across a wide range of life skills activities, educational visits, and our topic exploring people and their jobs.

We enjoyed our second Try a Train trip, travelling to Reading. At the station, students explored timetables, planned our return journey, and identified key travel information. Whilst in Reading, we explored local sculptures, viewed the Banksy artwork, and visited Reading Abbey Ruins, making for a truly memorable and enriching experience.

We also attended the Agricultural Challenge at Arlington Arts Centre. I cannot express how proud we were of Dover Class. They supported Windsor brilliantly, spoke with confidence, and pride about their achievements, and were delighted to receive first place for a planted bed. Their teamwork, resilience, and communication skills were outstanding throughout the event.

Finally, we held Dover's Home-Grown Harvest Enterprise Day. Students were involved in every aspect of the project, from harvesting, washing, and displaying produce to creating posters and price lists. They also applied key mathematical skills by calculating totals and change, whilst developing their customer service skills. We are delighted to have raised £30, which will be used to purchase more seeds for next year's growing season.

It has been a privilege to watch the students grow in confidence, flourish as individuals, and develop an increasingly strong sense of self throughout the year. Thank you for your continued support; it has been greatly appreciated. We wish you all a wonderful and restful summer break.

With best wishes,
Anna, Clare, Jo and Lisa

Some photos of us!

Dates & Points to remember:

Last day of term: Tuesday 21st July

First day back: Friday 4th September
