Class Name: Calshot

Term: Term 6 2025-2026

Topic: Travel and Transport

## What we have been doing this term:

What a busy and hot(!) half term this has been!

We visited Bosscombe Beach near the start of term. It was a windy day but we enjoyed a chip lunch and some of us even braved the sea for a paddle! As part of our topic of Travel and Transport we have been looking at cars of the future. We then designed and made our own model cars. We had a really lovely day out to Beaulieu National Motor museum where we had a guided tour and a ride on the monorail. We have been busy this term getting ready for our end of year Prom. Our class made amazing decorations to help transform our common area into our own Hollywood glitz and glamour world.

Thank you for all your support this year – the class has been a real joy to teach and we have loved having them.

Have a lovely summer!

Karen, Helen, Rachel, Lisa and Lorraine
