Class Name: Oxford Term: Summer 2

Term 5 2025-2026

Topic: My future Self

What we have been doing this term:

We've had a number of exciting opportunities this term.

We went to Henwick Driving Range. We learnt how to hold a golf club and swing it carefully to hit the ball into the range. We discovered it was much harder than it looks.

We took part in the musical performance at the bandstand. We performed 'Rocking all over the world.' We played lots of different instruments and even sang. We might be biased but we rocked! We went to Paultons Park. We had a fabulous day. We went on lots of rides including the new rollercoaster Drakon. Some of us overcame our fears of the dark and fast rides to try different rides.

The students who are moving to Post-16 in September attended prom. The theme this year was Hollywood glitz and glam and everyone looked the part in their suits and showing off their dance moves on the dance floor, a huge achievement given the very warm weather.

What a year we have had. We have achieved a lot. Here are the student's memories of this year.

At Paulton's Park, Selina said 'This is the best day ever!'
